### ADVERTISEMENT POLICY

HEART accepts advertisements in good faith that they are genuine and that any service or event thereby promoted is reliable. By accepting advertisements it does not endorse the advertisers. If you have concerns about an advertiser, please speak to them first and, if your concern is not resolved, speak to their church elders. If still not resolved, please then inform HEART.

HEART will print the name of the church which an advertiser attends if this information is given. This is intended to aid trust between individuals within the Christian community and does not imply that the advertiser's service is a recognised ministry of that church, unless clearly indicated in the advertisement.
