ORDERING PAPERS

BEING A CHRISTIAN is about a relationship with Jesus Christ, the only Son of the living God, who died in our place, to pay the price for our sin. He desires to welcome you into God's family here on earth and into heaven when you die.

To start this relationship, simply pray the prayer opposite; if you mean it, he'll respond, because the Bible says that God looks at our hearts.

The churches featured in this paper will be happy to welcome you and explain the importance of daily Bible reading, daily prayer, baptism, being part of a congregation where the Bible is preached and believed, and telling others about what Jesus has done for you.

Do I need this?

“Dear God, I am a sinner and need forgiveness.

I believe that Jesus shed his precious blood and died for my sin.

I am willing to turn away from my sin.

I now invite Christ to come into my heart and life as my personal Saviour.”

HEART'S VISION

To see local Christians unified and strengthened, sharing information and building trust across churches by providing a meeting place, a marketplace and forum for the local Christian community.

To inform and stimulate concern about local and national issues relevant to our society.
