

A CALL TO SAVE BRITAIN NOW! THROUGH PRAYER!

The whole United Kingdom is under threat – the situation the worst since the last war – our politicians have no answer – now is the time for Christians to rise up in prayer, repent and call upon God in unity – this is God’s opportunity to bring the Nation back to faith in His Power. In January our future will be decided unless the voice of Christians is heard. This is not political now – it is a spiritual battle for the future of our nation!
