

CENTRAL ENGLAND PRAYER CONFERENCE

Thursday 30 MAY - Saturday 1 JUNE £105 pp

Guest Speaker Chuck Cohen

The nation of Israel remains a constant focus of worldwide media attention despite being one of the smallest nations on the planet and is subject to much media speculation. Establishing a clear Biblical perspective amongst so much bias can often be a challenge which can make our response ill-informed at best.

As Chuck brings us up to date with the current situation in Israel and links that to what the scriptures say we will then be better equipped to pray in the spirit and with the understanding. Please know this is not just a teaching conference, but the main focus will be to spend time in corporate guided prayer, with the goal being that our God will be glorified both in Israel and in England through Messiah Yeshua, the Lord Jesus.
