## A CEREMONY TO MARK THE 70TH ANNIVERSARY OF THE END OF THE BRITISH MANDATE

Held in Atlit Camp Israel on 11th May 2018

**H**OW MUCH do you know about the British Mandate for Palestine, the name then given to the Biblical Land of Israel? The shameful way Britain treated the Jewish people, the apple of God's eye, during the years 1917 to 1948 is little known in Britain. This film records Israelis speaking candidly about their suffering as a result of Britain's policies and actions. British representatives then respond with expressions of sorrow for Britain's failures then and now with regard to Israel.

It is our fervent desire that the Lord God of Israel will use this film to inform many British people of the tragedy our nation brought upon the Jewish people and upon ourselves as we forsook the greatest trust ever given to a nation – to create a homeland for God's chosen people in line with Biblical promises.

## CENTRAL ENGLAND PRAYER CONFERENCE

Thursday 30 MAY - Saturday 1 JUNE £105 pp

Guest Speaker **Chuck Cohen**

The nation of Israel remains a constant focus of worldwide media attention despite being one of the smallest nations on the planet and is subject to much media speculation. Establishing a clear Biblical perspective amongst so much bias can often be a challenge which can make our response ill-informed at best.

As Chuck brings us up to date with the current situation in Israel and links that to what the scriptures say we will then be better equipped to pray in the spirit and with the understanding. Please know this is not just a teaching conference, but the main focus will be to spend time in corporate guided prayer, with the goal being that our God will be glorified both in Israel and in England through Messiah Yeshua, the Lord Jesus.

Price per person includes all sessions, buffet lunches on Friday & Saturday & Shabbat dinner. Accommodation not included, list of local accommodation available on request
