The Rapture?: Peter Timms

Saturday 9th November 9.30am-4pm

The Bible speaks of an event for believers associated with the coming of the Son of Man in the "twinkling of an eye" (1 Corinthians 15:52) but does not give it a name. Many people refer to this point in history as the 'Rapture'. What is the 'Rapture'? Why is it called the 'Rapture'? What is the purpose of the 'Rapture'? When will the 'Rapture' occur?

Peter will address these and other questions regarding this approaching period in God's calendar. He will set this within the context of the second coming of the Son of Man and the Day of the Lord including other events the Bible speaks of in this 'End Time' period.
