# Healing Clinic – an alternative way to health

**C**hristians in Penryn are addressing the frustration many people are experiencing as a result of the long waiting times and treatment delays within the NHS. They are holding monthly Healing Clinics in Penryn Town Hall.

When Jesus walked on earth He healed all who came to Him, it is the heart of God to heal today. Volunteers are freely reaching out with the love of God through healing prayer for a variety of sicknesses, aches and pains.

Recently a lady received prayer to be healed of blood cancer. A subsequent bone marrow investigation revealed that she was free of cancer.

Passers by coming in off the street seeking prayer are surprised by the level of attention and care they receive. One such lady, who was visiting from Uganda, saw the sign on the street, came in and was joyously healed of long term back pain.

Others have travelled from out of the county and received

healing and freedom from spiritual encumbrances.

There is no limit to what Father God can do for all who are ill and oppressed by the devil.

The Prayer Clinic in Penryn is open on the first Saturday of each month between 10.30 and 13.00. No appointment is required, and the prayer is free as it is in any Christian church.

The Healing Clinic can be contacted through Stirring of the water Ministries in Penryn.
