HEART CHRISTIAN NEWSPAPER GOES TO OVER 1,000 CHURCHES ACROSS 60 UK COUNTIES

If you'd like thousands of UK Christians to know about your business, holidays, new book or job vacancy, advertise in HEART Christian newspaper, a colourful, readable tabloid

Print run: 23-25,000. Readership: mature churchgoers

HEART Christian newspaper was born in 2007 out of a vision first received in 1996 by its founding editor, Melanie Symonds, who regularly appears on Revelation TV's 'Politics Today' programme, in which the paper is promoted.

The paper celebrates Christians' achievements, while retaining a prophetic edge. Although formatted and written in an accessible style, to ensure it is picked up in churches, its content appeals to – and is praised by – serious, mature Christians who pray for the nation and pass on or post copies of the paper to like-minded friends.

"I just want to thank you on behalf of our congregation for your wonderful publication that we have been blessed to read during this year." A church leader in The Wirral, December 2022

"Once again a wonderful edition of HEART. Full of articles pertinent to our Christian faith and the world today. Thank you for printing subjects that are ignored in our daily press." A HEART subscriber, March 2022

"We continue to enjoy and thank God for your paper. All copies you send us are snapped up by the congregation and visitors (including guest speakers)." A Middlesex church elder, March 2023

HEART'S MISSION STATEMENT
